UKids Guardsman Way

November is here! The temperatures are continuing to drop. We still love to take the children outside to get fresh air and play in wide open spaces. Please help us keep your children warm and bundled by bringing appropriate clothing such as a winter coat, gloves, a hat if not attached to the coat and even boots. Remember when you played in the snow as a child, it can be so educational and even more fun if you are warm. If you have already placed winter clothes in your child's cubbie, please go through it and check the sizes. Your little kiddos grow so fast!

FYI - Each day, we monitor the air quality as well, to make sure that it is at a safe level for your kids to be playing outside. We do not apply sunscreen during the winter months. Thank you for being such great parents and sharing your children with us!

Meet Our New Cook, Lacey!

Lacey is new to Utah, incoming from Oklahoma. During the day she cook for the children of Ukids and at night and most weekends she work on her digital photography and painting. Over the winter she will be training to compete in a sprint triathlon this coming spring. Wish her luck! She says she is grateful to be here, literally nourishing her community. She is going to start teaching our Learning Exploration Cooking class and will now be offering a Fine Art class too! Reach out if you're interested in enrolling in either one! We have a real artist on our hands!

Teacher Curriculum Updates

This is such a fun time of year! One of the fall favorites around here is going to a pumpkin patch! As much as we would love to take all of your children to a pumpkin patch to enjoy the fun, it just isn’t possible. Instead of us making the trek to a pumpkin patch, we decided to bring the pumpkin patch up here to Ukids! Every classroom got to pick out their very own pumpkin and together, as a class, the children having been exploring, decorating and painting their pumpkins to put on display at our Ukids Guardsman Way Pumpkin Patch. We hope that you all had a chance to look though all of the fun pumpkins in our patch. The children had so much fun participating in this activity and the staff enjoyed it just as much.
